Leavey School of Business

ACADEMIC HONORS

BETA GAMMA SIGMA | This national business honor society, was founded in 1913. The Santa Clara University chapter was founded in 1955. The mission of Beta Gamma Sigma is to encourage and honor academic achievement in the study of business and personal and professional excellence. Membership is offered to students who show promise of success in the field of business and rank in the top 10 percent of their senior class.

LEAVEY SCHOLARS PROGRAM | This program offers special opportunities for the top 10 to 15% undergraduate business students who have established a record of excellence in their Santa Clara studies. Leavey Scholars are invited to enroll in honors sections of selected business courses that are especially rigorous and academically challenging.

COMMUNITY INVOLVEMENT

COMMUNITY FELLOWS PROGRAM | Talented and committed upper division majors are placed in paid, year-long internships at local nonprofit and government organizations. Fellows enroll in a year-long seminar to explore issues of social justice, economic inequality and professional development.

NEIGHBORHOOD PROSPERITY INITIATIVE COURSE | This two-quarter course provides opportunities for students to work directly with a small business in a local, economically disadvantaged neighborhood. Students work in teams to develop a plan to achieve the business owner's goals and implement their plan with funds allocated to each team. The goal of NPI is to provide a unique, community-based learning opportunity and contribute to the economic growth and prosperity of a local neighborhood.

PROFESSIONAL DEVELOPMENT

ACE PROGRAM | This leadership experience for business students is a three year professional development program emphasizing growth in leadership and career skills. The ACE program provides long term career and leadership coaching, mentoring and support to students.

PEER CAREER CONSULTANT PROGRAM | Senior business majors with significant internship and work experience serve as mentors and support business students interested in learning more about career search skills, gaining experience and specific industry roles.

PROFESSIONAL DEVELOPMENT SKILLS

SEMINAR | This one unit class for sophomores prepares students for internship and career search by highlighting resources students can use to help strengthen their professional development skills. Students get support refining resumes, sharpening interview skills and building networks.

SILICON VALLEY EXECUTIVE PRESENCE

PROGRAM | Prepares students for professional conversation, personal connection and career exploration through a program of small group lunch meetings with Silicon Valley executives. Students complete a companion workshop to prepare to engage and network professionally prior to the executive lunches.

Access our complete library of informational materials, detailing Leavey's academic majors, minors, and additional programs.

LEADERSHIP

LEAVEY AMBASSADORS | A group of undergraduate students currently enrolled in the Leavey School of Business who are passionate about sharing their experiences with prospective students and families. Leavey Ambassadors work closely with the Undergraduate Business Program Office in attracting, recruiting, and enrolling a talented and diverse group of future first year and transfer business students.

PEER ADVISING PROGRAM | This program assists students on course requirements and regulations. A team of business students, trained and knowledgeable about LSB requirements, provide information to first year students on how to use Santa Clara's many advising resources and materials.

PRESIDENTS COUNCIL | Leaders of student-run business organizations utilize this meeting platform to collaborate and unleash their full potential.

SENIOR LEADERSHIP ACADEMY | This academy provides undergraduate business seniors the opportunity at an in-depth exploration of a leadership topic relevant to postgraduate life combined with a sustained mentoring experience. The program pairs each senior with an alumni mentor who provides one-on-one mentorship and support to discuss topics like personal and professional development, including career exploration and work-life balance.

LEAVEY STUDENT ORGANIZATIONS | Student-led organizations provide students opportunities to get involved and explore different career interests in a variety of industries.

CENTERS & INSTITUTES

CIOCCA CENTER FOR INNOVATION & ENTREPRENEURSHIP | Santa Clara University's Ciocca Center for Innovation and Entrepreneurship is an on-campus resource that introduces and encourages the Entrepreneurial Mindset. With experiential programs accessible to all students, across disciplines - and faculty, staff and alumni - Ciocca Center prepares future innovators and leaders with full access to possibilities and opportunities that inspire and empower.

MY OWN BUSINESS INSTITUTE (MOBI) | MOBI's mission is to start businesses that create jobs by

providing free entrepreneurship education to people everywhere. MOBI's popular online courses, available in English and Spanish, teach aspiring and experienced entrepreneurs how to start, manage, and grow a business. MOBI coursework is used by individuals, universities, schools, nonprofits, and government agencies all over the world to fuel dreams and confidence and empower entrepreneurship. All participants are eligible to earn a Certificate of Completion and/or Digital Badge to demonstrate their achievement.

RETAIL MANAGEMENT INSTITUTE | The Retail Management Institute provides undergraduate students with a minor in retail studies and the skills needed to succeed in the evolving retail industry. Open to all Santa Clara undergraduate students, the minor prepares students for a diverse range of leadership roles, including e-commerce, buying, merchandising, planning and allocation, digital marketing/merchandising, and supply chain management and analytics. Admission subject to approval by the Executive Director.

SUSTAINABLE BUSINESS INSTITUTE | The Sustainable Business Institute (SBI) is a newly developed institute focused on creating transformative programs that empower students to become agents of positive change in an evolving global business landscape. Through practical research, undergraduate and graduate education, co-curricular programs, and corporate and community engagement, SBI will be preparing future leaders who are equipped to address complex challenges through their business endeavors.
