# STEP 1 - LOGIN TO INTERFOLIO

You can login to Interfolio one of two ways (A or B):

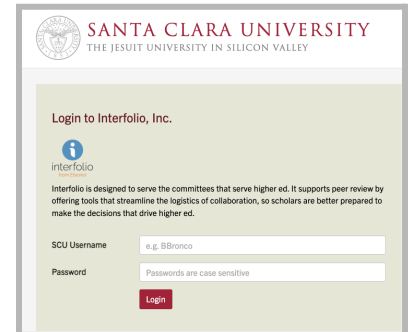

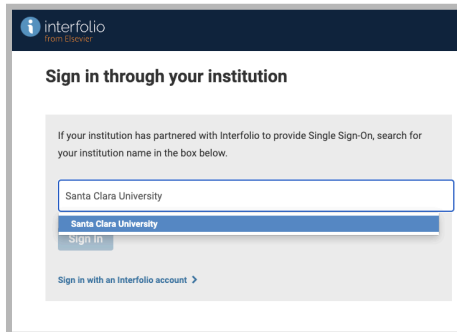

## A

Sign into MySCU

Click on the Interfolio tile

## B

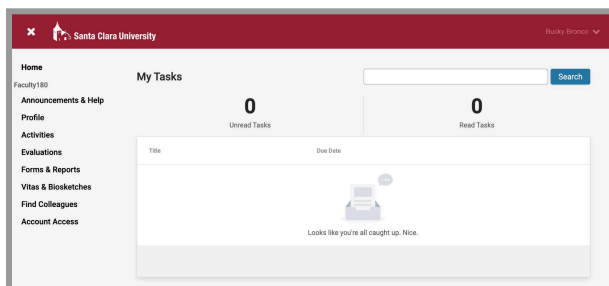

Go to <https://www.scu.edu/interfolio>

Type in Santa Clara University

Log in to MySCU Portal

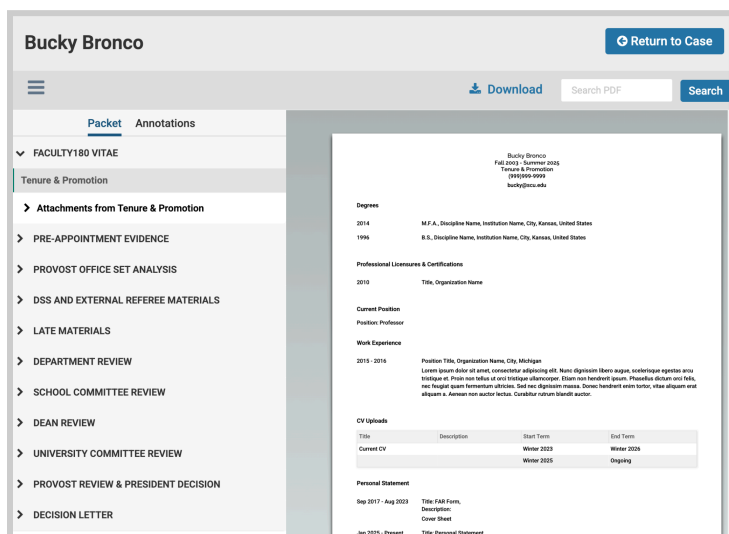

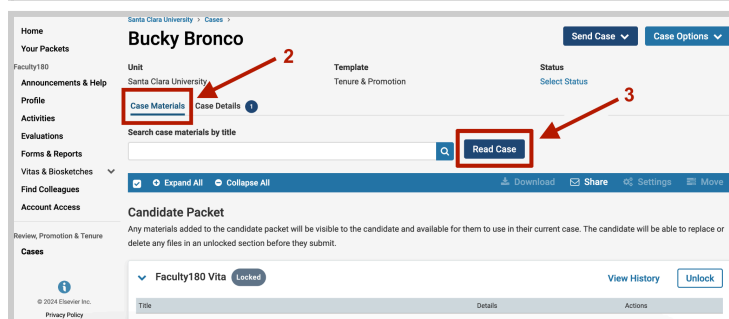

However you login, double-check that you're in the right account:

After you login, "Santa Clara University" should appear in the upper bar, and your screen should look like this. If it doesn't, you may be logged in to another Interfolio account. Contact Katie Williams ([kfwilliams@scu.edu](mailto:kfwilliams@scu.edu)) to help you troubleshoot.

## STEP 2 - REVIEW THE CASE

All tenured faculty participating in the case review will be given access to the candidate's case materials through Interfolio when it is forwarded to the department from the dean. A trigger with the candidate's name will appear on your dashboard:

1. Click on the candidate's name in blue to bring you to the candidate's packet.
2. Select the Case Materials tab (upper left) of the candidate packet.
3. Click the Read Case button on the right to review the candidate's packet. Candidates for promotion to full who used the modified process (submitting supporting evidence of scholarship and teaching on Google Drive) will have fewer files in Interfolio.
4. The left sidebar lists the sections of the candidate packet. Click on the › (caret) symbol next to any category to expand the section and to view its contents.

You can also download an individual document, or the entire Faculty180

Vitae packet, using the blue Download button in the upper right of the browser window. You will receive an email when the download has completed.

- **Faculty180 Vitae** - There will be a caret and section for every activity category for which the candidate has uploaded files. For candidates for promotion to Professor who elected the “modified process,” you will find a link to their supporting evidence in their petition cover sheet (in “Attachments from Tenure & Promotion > Personal Statement”), and their annotated CV in “CV Uploads.”
- **Pre-Appointment Evidence** - Scholarship or creative activity that a tenure candidate might have provided that predates appointment at Santa Clara.
- **Provost Office SET Analysis** - Provides summary of course SET report averages and comparison to department and school averages for the period under review to a maximum of 10 years, excepting the initial online quarters during COVID (Winter and Spring 2020).
- **DSS & External Referee Materials** - Discipline-specific scholarship standards, the list of referees and non-referees, materials sent out to referees (professional CV, works shared), referee letters and CVs (including late letters). If there is an MOU from the time of hire, it will be uploaded here.
- **Late Materials** - Any evidence provided by *the candidate* that came in after the petition deadline.

- To exit the case materials, click the blue **Return to Case** button in the top right. You will write a letter to the process chair evaluating the case, assigning a whole number score from 1-5. Share this letter with the process chair in Google Drive.

**The remaining steps are for the process chair alone**

### STEP 3 - REMOVE PARTICIPATING FACULTY FROM THE CASE

When the participating faculty have completed their review of the case materials and submitted their letters, the process chair will remove them before uploading the required documents, to prevent individuals from viewing colleagues' letters or the chair's context letter.

- Select the Case Details tab

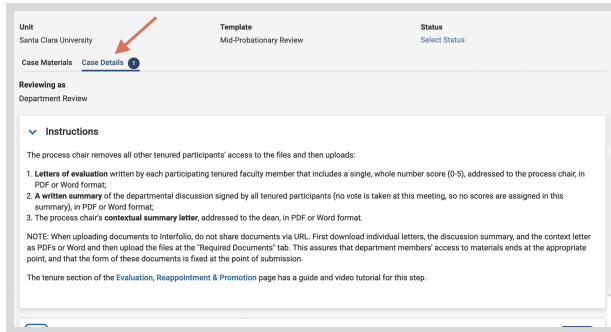

- Scroll down to Committee Members
- Click the Edit button

- Click X next to the member's name you wish to remove.

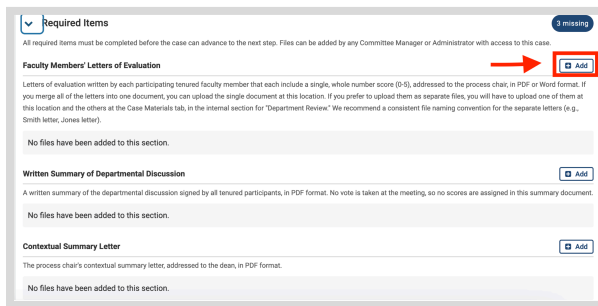

## STEP 4 - UPLOAD REQUIRED DOCUMENTS TO CASE DETAILS

The department or process chair will submit three required documents at the Case Details tab. Each document can only receive one uploaded file, so the faculty letters should be merged into a single Word or PDF file (however, if you prefer to upload the faculty letters as separate files, see the directions in the optional step 5). Have the files available on your desktop to facilitate uploading to Interfolio. The file names will appear in the sidebar for reviewers at subsequent stages, so please title them with that in mind.

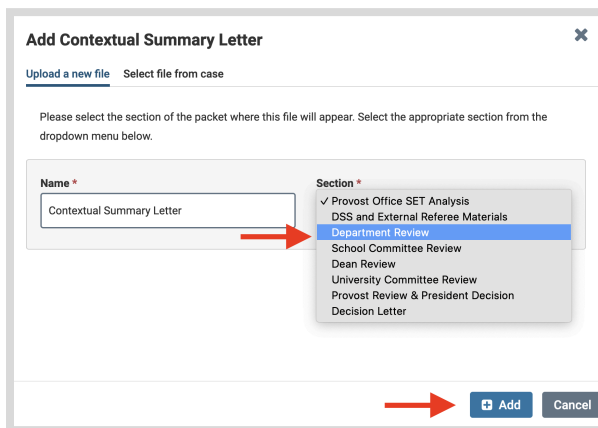

Click the **Case Details** tab at the upper left. This section will reveal the department's required items:

1. Faculty Members' Letters of Evaluation
2. Written Summary of Departmental Discussion (signed by participants)
3. Contextual Summary Letter (by the process chair)

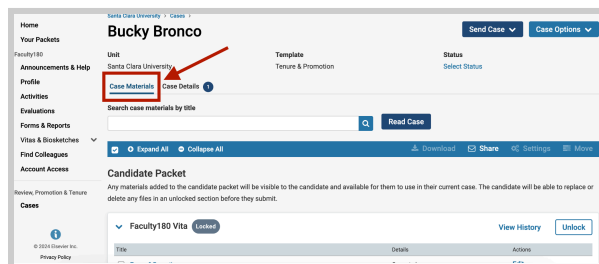

Click on the **Add** button at each required document to upload the file. A pop-up window will allow you to browse your computer for the document.

After uploading the document from your computer, this screen will pop-up. In the Section field, select "Department Review." Then click the blue **Add** button (bottom right) to submit.

## STEP 4a - OPTIONAL: UPLOAD LETTERS TO CASE MATERIALS

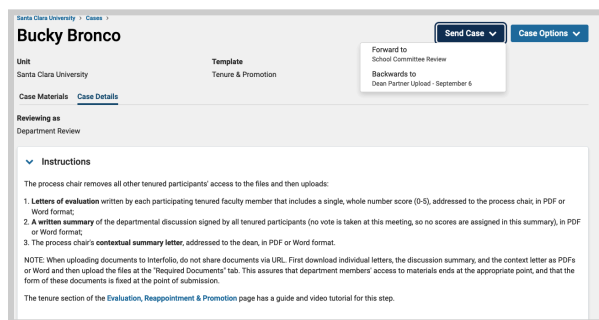

If you would prefer to upload faculty letters as separate files, we recommend that you collect all the letters on your computer, name them in a similar fashion, and then take two steps:

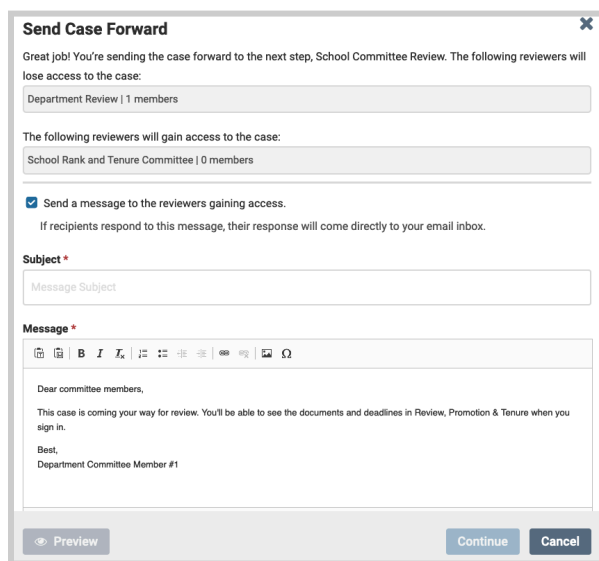

1. Upload one at the **Case Details** tab (as described on page 5 of this guide), at the required document labeled “Faculty Members’ Letters of Evaluation,” then
2. Navigate to the **Case Materials** tab, scroll down to the Department Review section, and add the other letters there one by one.

## STEP 5 - SEND CASE FORWARD

Click on the dark blue **Send Case** button in the upper right corner to move the case to the school rank and tenure committee.

The blue Continue button (lower right) will be inactive (faded) until you fill in the email Subject field. After filling in the Subject, edit your message if you wish and click the now active/blue **Continue** button.

You have completed the submission.
